Dear Chan Zuckerberg Biohub Biohub),

This is an automatic acknowledgment that your submission:

SubmissionID: SUB6829341  
BioProject ID: PRJNA605178  
Title:

has been successfully registered with the BioProject database. After review by the database staff, your project information will be accessible with the following link, usually within a few days of the release date that you set (or the release of linked data, whichever is first):

<http://www.ncbi.nlm.nih.gov/bioproject/605178>

Please use the BioProject ID PRJNA605178 with your correspondence and your data submissions.

Send questions to [bioprojecthelp@ncbi.nlm.nih.gov](mailto:bioprojecthelp@ncbi.nlm.nih.gov), and include the BioProject ID and organism name.

Regards,

NCBI BioProject Submissions Staff  
Bethesda, Maryland USA
