Dear Amy Kistler:

This confirms our receipt of your sequence submission data.

Your submission ID is: 2404264

GenBank accession numbers will be assigned to your sequences generally within two working days, unless there are issues with your submission that must be resolved first.

You have requested a release date of immediately after processing

If you have not done so previously and want to download a compressed file of your preliminary submission data, you can do so at <https://www.ncbi.nlm.nih.gov/WebSub/>

Thank you.
